**FIELD**

**TRIPS(Tentative)**

- All courses of field trips will start **at 8:00 am on 13 August.**
- We can use two buses, three or four cars, and one van, the carrying capacity is bus: 40-45, car: 4, van 9-10 people.

Course 1

Looking around the US camps in Taegu

we will visit shortly a building of NGOs' offices, and meet some civil activists, then move to look around the US military camps, and finally visit a municipal office in struggling against them in Taegu.

- Participants also can visit a community of the urban poor, if they want.
- A bus will be used for this field trip, but car or van would be used if participants are not so many.
- This trip will be finished at 2 p.m. at the Tong-Taegu railway station.
- You can find a brief introduction to the US military camps in Taegu at the web site, <http://www.fas.org/irp/facility/taegu.htm>  
This site is maintained by the US agency; unfortunately there is no web site in English set-up by Korean NGOs.

Course 2

Visiting an Industrial Complex in Taegu

We will visit a building of labor organizations, and meet some activists in labor movement, and then visit an industrial complex and talk with members of labor unions in struggling against foreign capital.

- Participants also can look around some other industrial complexes in Taegu, if they want.
- A van or car will be used for this field trip, but a bus would be used if there are many participants.
- This trip will be finished at 4 p.m. at the Tong-Taegu railway station.
- You can find a brief introduction to industrial complexes in Taegu metropolitan area at the web site, maintained by

the Taegu Chamber of Commerce and Industry.<http://tcci.asiansources.com/CITY/INDUSTRY.HTM>

Course 3

Course 1 plus Course 2

We can combine the course 1 with the course 2.

- A bus will be used for this course, but a car or van would be used if participants are not so many.
- Participants of this trip will be back to the accommodation and stay over the night of 13 August.

Course 4

Visiting Kyungju City and Pohang steel industrial complex

**CANCELLED**

Course 5

Andong traditional village and Confucian culture

We will look around the northern part of Kyungbuk Province, especially visiting Andong traditional village, called Ha-hoe-ma-ul, and some other places with Confucian/Buddist culture

- This course can be included in our plan of field trip, though like the course 3 it is very formal and extravagant.
  - A car or van would be used if participants are not so many. It will take about one hour and half to get Andong from Taegu Univ.,
  - Participants of this trip will be back to the accommodation and stay over the night of 13 August.
  - You can find some interesting web sites for Andong, among which is
